Even worse is that they just removed chapters 23 – 26, then added back chapters 23 + 24 without adding back 25 + 26.
Am guessing that this will be their way of saying that they'll be providing a "new" chapter each month…

I am done with this comic, Nearly a month of waiting and nothing new. The story also is going nowhere and has lost my interest.

September 28, 2022 at 1:06 am

Scott REPLY

Once again this story is going nowhere. Another nearly 2 weeks between add-ons to the story is too long and frustrating. Either move this story along in a normal pace and keep the readers interested or just find a quick ending and stop it all. Just have Brandi grab her son' s arm and go pack their bags and get on the boat and leave.
Also how much longer are you going to wait to add Brandi's sister to the mix? I thought she was suppose to be coming to investigate but maybe since you have taken so long to move this story along you forgot all about that part of the story!!

September 20, 2022 at 3:04 am

Not sure where this is going with Brandi and Dylan. The best story line would have been for them to have a number of sexual experiences then get together. So the story is going in reverse. Also the dialogue is awkward in places and there several misspellings i.e. "tare" instead of tear! As always the art work is first rate, excellent facial expressions and body language.

indominusrex agree, cuz one of the main reason why I've enjoyed the series is bc of the build between her and Dylan. And now since she's been more satisfied with another person, it won't feel the same when she hooks up with her son, bc when she's with the others she'll be knock out like a boxer and repeatedly saying that he'll always be her one, while she's being dominated.

It will be really great if gina's husband fucks the "mom" here with his massive dick and ravage her in public…. And make her his permanent slut…

Just have some idea for the author. After finishing all the scene. DANYAL's father can go to the resort alonh with his new wife and step children. And the scenes can continue with them.
Sharing this idea because just don't get slow thinking that you will be out of ideas if you publish updates very frequently. Many refers come to this site just for this comic . Please keep updating with shorter interval
